INSTRUCTIONS FOR UPLOADING AN ABSTRACT

Please click on the **SISCON** link (**https://siscon2.iapg.org.ar**) and register as "New User" by filling in the required information.

Password requirements: Passwords must have a minimum of 8 characters, including an uppercase letter, a lowercase letter, a number, and a symbol. It shall not include the user's first and last name.

Once you're registered, please log in with your user name and password.

Uploading the paper's abstract

Please, choose the Congress you'll be participating in:

Click on the light blue button, "New", on the screen's right side, to upload the abstract.

Please fill in items 1 to 6. You may write the abstract either directly on the related window or copy/paste it from your original file.

Remember that the abstract shall be a minimum of 100 words and a maximum of 400 words. You may add an image, if necessary.

Should the abstract be uploaded by the paper's main author him/herself, he/she must check the associated box on item 4, "Information on the author". Uploading at least one or two co-authors of a paper is recommended to provide contact information for any eventuality.

Please fill in until item 6 to save all the author's information and abstract.

The SISCON shall send you an e-mail to confirm that the abstract has been successfully uploaded. **Please make sure that this e-mail has not been forwarded to your SPAM or JUNK MAIL inboxes.**

During the first stage, you'll be able to upload your abstract. Upon receiving the SISCON's approval notice by e-mail, you'll be able to upload the final paper's file.
